HEALTH INSURANCE APPLICATION FORM

accuro

At Accuro Health Insurance, we actively look for ways to add value and support our members, not just if things go wrong, but to keep things going right.

Accuro is a co-operative that is 100% owned and managed in New Zealand, so we are always working for our members, not shareholders.

That's what makes Accuro, New Zealand's best little health insurer.

Eligibility

To qualify for a SmartCare or SmartCare+ policy, you need to be a New Zealand citizen or permanent resident, hold a work visa valid in New Zealand for two years or more or be covered under New Zealand's public health system. The same applies to the other participants included in this application.

To qualify for a SmartStay policy, the main member needs to hold a work visa valid in New Zealand for less than two years and not have cover under New Zealand's public health system. Your family can also be covered under SmartStay as long as they have a visitor visa valid in New Zealand.

Your medical history

Health insurance only covers you for the things that happen after you take out cover. Don't be concerned if you already have a medical condition – just make sure you give us as much information as possible so we can fairly assess your medical history.

If you have a condition – or have had a condition or symptoms in the past that might result in further issues – we may exclude coverage for that condition in the first instance. We're happy to review any exclusions if you can provide further medical information. We will assess all the information you provide and make a decision based on the level of risk involved. Excluding coverage for pre-existing conditions enables us to minimise our costs and keep premiums low.

We're here to help

If you have questions or need help, either talk to your adviser or call us on 0800 222 876.
