

Why choose StaffStay?

StaffStay is the only group health insurance product in New Zealand that will cover staff on work visas for both public and private healthcare.

StaffStay includes cover for pre-existing conditions and has benefit levels designed to ensure your staff can get back to work as quickly as possible.* It's made for business owners who want quality care for their staff along with value for money.

Combine quality products, fast claims turnaround, and our knowledgeable customer service team and it's no wonder we have the highest customer satisfaction. That's what makes us New Zealand's best little health insurer.

What Accuro does better

All members have access to the Accuro Virtual Clinic, which includes expert medical opinions from the world's leading medical specialists, at no extra cost.

You're covered for specialist consultations and diagnostic procedures for 12 months either side of surgery (six months more on either side than other insurers).

We cover conditions you've had from birth (congenital), if they're diagnosed after 3 months of age.**

You can choose your own specialist.

You can add cover for GP and nurse consultations as well as prescription drugs and laboratory tests.

Children on the policy will only pay child rates up until their 25th birthday.**

Members have access to Active Benefits such as mole mapping through SkinVision, bowel screening kits, access to the HealthHub (our free wellbeing programme) and Mental Health Assist.**
