WHAT SERVICES DO BEST DOCTORS PROVIDE?

GET A SECOND OPINION

Not sure about your diagnosis or suggested treatment? Ask Best Doctors for a second opinion and they will obtain and evaluate your medical records and provide certainty of your diagnosis and treatment or recommend alternative treatment options.

DOCTOR ONLINE

Ask a question about a medical condition and an NZ based GP will provide you with a personal answer within 48 hours.

ASK AN EXPERT

Ask an Expert to review any condition, injury or illness that affects your way of life, from heart conditions and cancer right through to back pain, skin conditions and severe migraines.

FIND AN EXPERT

We can help you find a leading local specialist for your condition, so you can arrange a face to face consultation.

ONLINE HEALTH RESOURCES

Best Doctors provides a wide range of online health tools, such as a symptom checker, health calculators and an extensive video library providing explanations on a range of conditions and illnesses.
