

**HEALTH  
INSURANCE  
APPLICATION FORM**

At Accuro Health Insurance, we actively look for ways to add value and support our members, not just if things go wrong, but to keep things going right.

Accuro is a co-operative that is 100% owned and managed in New Zealand, so we are always working for our members, not shareholders.

That's what makes Accuro, New Zealand's best little health insurer.

### **Eligibility**

To qualify for a SmartCare or SmartCare+ policy, you need to be a New Zealand citizen or permanent resident, hold a work visa valid in New Zealand for two years or more or be covered under New Zealand's public health system. The same applies to the other participants included in this application.

To qualify for a SmartStay policy, the main member needs to hold a work visa valid in New Zealand for less than two years and not have cover under New Zealand's public health system. Your family can also be covered under SmartStay as long as they have a visitor visa valid in New Zealand.

### **Your medical history**

Health insurance only covers you for the things that happen after you take out cover. Don't be concerned if you already have a medical condition – just make sure you give us as much information as possible so we can fairly assess your medical history.

If you have a condition – or have had a condition or symptoms in the past that might result in further issues – we may exclude coverage for that condition in the first instance. We're happy to review any exclusions if you can provide further medical information. We will assess all the information you provide and make a decision based on the level of risk involved. Excluding coverage for pre-existing conditions enables us to minimise our costs and keep premiums low.

### **We're here to help**

If you have questions or need help, either talk to your adviser or call us on **0800 222 876**.

This notice will be provided in writing (including by electronic means and SMS where I/we have provided prior written consent (including by electronic means including SMS) to communicate electronically).

Where the Direct Debit system is used for the collection of payments which are regular as to frequency, but variable as to amount, the Initiator undertakes to provide the Customer with a schedule detailing each payment amount and each payment date.

This notice must be provided in writing (including by electronic means and SMS where I/we have provided prior written consent (including by electronic means including SMS) to communicate electronically).

- b) May, upon the relationship which gave rise to this Authority being terminated, give notice to the Bank that no further Direct Debits are to be initiated under the Authority. Upon receipt of such notice the Bank may terminate this Authority as to future payments by notice in writing to me/us.
- c) May, upon receiving written notice (dated after the date of this Authority) from a bank to which I/we have transferred my/our account, initiate Direct Debits in reliance of that written notice and this Authority from the account identified in the written notice.

### 3) The Customer acknowledges that:

- a) This Authority will remain in full force and effect in respect of all Direct Debits passed to my/our account in good faith notwithstanding my/our death, bankruptcy or other revocation of this Authority until actual notice of such event is received by the Bank.
- b) In any event this Authority is subject to any arrangement now or hereafter existing between me/us and the Bank in relation to my/our account.
- c) Any dispute as to the correctness or validity of an amount debited to my/our account shall not be the concern of the Bank except in so far as the Direct Debit has not been paid in accordance with this Authority. Any other dispute lies between me/us and the Initiator.
- d) Where the Bank has used reasonable care and skill in acting in accordance with this Authority, the Bank accepts no responsibility or liability in respect of:
- » The accuracy of information about Direct Debits on Bank statements; and
  - » Any variations between notices given by the Initiator and the amounts of Direct Debit.
